That's showbiz

The television show "Judging Amy" films its Feb. 8 episode Tuesday at Lovebirds Cafe on Colorado Boulevard in Pasadena. Above, Amy's younger brother, played by Dan Futterman, left, runs into a literary agent, Colin, played by John Sloan, who critiques his novel.

At right, extras prepare to walk by the cafe for the filming of the scene. The episode, "You Don't Know Me," is intended to look like it was set in Hartford, Conn., in winter.
