BEST DELICATESSAN

Lovebird's Cafe

921 E. Colorado Blvd., Pasadena

(626) 583-8888

Though without salamis dangling from the ceiling like plum bobs, this is a deli that *still* caters to old tastes all the while developing new ones. You can choose between cream soda or an Arnold Schwarzenberry energy drink; hot pastrami or vegetarian meatball. Old or new deli, natural ingredients serve both sides.
